

ISynchronized

```
graph BT; BatteryModule --> MacroModule; MacroModule --> Module; Module --> ISynchronized;
```

The diagram illustrates a vertical hierarchy of four rectangular boxes, each with a thick black border. The boxes are stacked vertically, with arrows pointing upwards from the bottom box to the top box. The text inside the boxes, from bottom to top, is: BatteryModule, MacroModule, Module, and ISynchronized. The text is in a large, black, serif font.
